

STUD SERVICE CONTRACT

This stud service contract is specifically relevant to the stud service being offered from the following stud:

STUD NAME: Leo Ace Griffith

DATE OF BIRTH: JULY 14, 2021

BREED: Goldendoodle

STUD OWNER: Stephanie Flanagan

KENNEL NAME: HERSHEY Paw DOODLES

ADDRESS: 1038 Ridge Road, Grantville, PA. 17028

CONTACT #: 717-799-6165

DAM NAME: _____ **DOB:** _____

BREED: _____

DAM OWNER: _____

ADDRESS: _____

CONTACT #: _____

CONDITIONS OF STUD SERVICE

1. The DAM will be in good health and have all necessary health clearances before breeding takes place. Proof of UTD vaccines and brucellosis test is required. In addition, the DAM owner must provide proof of ovulation with a progesterone test, to verify correct timing.
2. The STUD will be in good health and will provide all necessary health testing and proof of UTD vaccines and brucellosis test to DAM's owner.
3. The DAM owner will pay a stud fee deposit of \$100 to the stud owner to secure a date. The balance of the stud fee is due the day of stud service. Cash, personal check or money order is acceptable, unless other options are discussed.
4. If the DAM does not become pregnant, the STUD owner will provide STUD SERVICE at a later date, free of charge, OR, provide a refund of partial STUD fee. This will be determined prior to breeding. If DAM owner chooses not to breed using live cover, then DAM owner must pay vet fees for other breeding options.
5. TWO puppies constitute a litter.
6. It is the responsibility of the DAM owner to notify STUD owner of successful pregnancy via text or private message on FaceBook no later than 32 days following mating and/or 70 days for puppies.
7. This contract is binding and enforceable under the laws of the state in which the breeding takes place.
8. Any disputes arising under this contract will be resolved through mediation or arbitration.
